

Because I love Jesus, children, and the church I am writing this KIDTEACH handbook. I write it with the hope that it will help you to be a better children's minister. Some churches will not call anyone a minister unless they have been ordained, but I believe if you work with kids in the name of Jesus and do it in a loving and gracious way with the confident anticipation that they will come to know HIM as their Lord and Savior, then you are a minister! I began teaching children in 1985 and have had the happy privilege of working with them ever since " both in church, private Christian schools, and public schools. Over the years I have learned much about teaching children, and there is still so much more to be learned. My hope is that I will continue to learn how to better serve children until the Lord takes me home. I pray you feel the same. Believing that is true, I wanted to write a handbook that would compliment my KIDTEACH seminar and help reinforce what I speak on to each of my attendees. At the same time, I realize that some of my readers may have never heard me speak, so I have attempted to compile these teachings in such a way that will be helpful to them as well. Whether you are a novice teacher or a seasoned pro, as you read the KIDTEACH handbook, I ask The Lord to bless you with a teachable spirit and an acute awareness of how important it is for you to give the children you teach your absolute best each and every time you stand before them. As you do so, please pray that God will speak to you through my writings and that He would bless each one who has dedicated themselves to enriching the lives of children. May each of you be the best teacher you've ever been as a result of allowing God to use both of us to accomplish His good and perfect will in the lives of these young ones who have been entrusted to our care. God Bless you all as you continue to bless God by serving children. May many kids come to know Jesus as their Sweet Savior, Master and King as a result of your dedicated service to HIM.
