

Excerpt from Memorial and Petition for Liberty: Presented to the President of the United States and to the Peace Conference in Paris The percentage of the Poles in Chicago is in comparison the same as the percentage of Poles in West Ukraine. Now imagine the Poles in Chicago arming themselves, closing the American schools, burning the American churches, banning the English language and taking the administration of the city in their hands, including courts, police, post office, railroads, etc., etc., etc. What would you say, Americans? Wouldnt you appeal to the world, if you were as defenceless as we are? This is what is taking place in West Ukraine, and this is why we make this appeal.
