

On a school trip to South West France, three boys, Sean, Michael and Roland are watched by the evil Master of the Malevolence posing as a teacher. Believing one of the boys is the son of the murdered Venerable Lord, The Master conspires to kill him, fearful of his emerging psychic powers. When Michael is abducted, Sean, Roland and Sally, an American girl they meet at a night market, set off to save him, facing obstacles fraught with danger. In a story where few people are who they seem, suspicion falls upon even the most trusted of allies including the Puppetmaster, a reaper of souls, who helps the reluctant heir to develop his psychic abilities. Set in Dâ€™Artagnanâ€™s Gascony, this modern day, fast paced fantasy is packed with suspense and tense, exciting action.
