

Understand the Cold War provides a fascinating insight into this complicated and hidden conflict, from how it began to the main characters involved and the culture it created. It will help you understand how the superpowers grew and vied for dominance, and how the balance was lost. All the important aspects of the war are covered, from what JFK and his assassin had in common to a discussion of whether the tension ended after the fall of the Berlin Wall. Give yourself the opportunity to understand the global reach of this 45-year-long conflict, which shaped the latter half of the twentieth century. One, five and ten-minute introductions to key principles to get you started. AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success, based on the author's many years of experience. EXTEND YOUR KNOWLEDGE Extra online articles at www.teachyourself.com to give you a richer understanding. THINGS TO REMEMBER Quick refreshers to help you remember the key facts. TRY THIS Innovative exercises illustrate what you've learnt and how to use it.
